

LEADERSHIP COMMUNICATION HOW DO I STAY CONNECTED?

Our student ministry depends upon teamwork, clear communication, & regular periods of training and celebration. It is essential that each team member takes advantage of each of the **FOUR TEAM CONNECTION POINTS**.

HUDDLE (30 minutes or less)

These are quick but meaningful times of team prayer and communication before each session of service. Each team member will be at the designated Huddle Spot 30 minutes before time to begin.

*(Sunday Nights Middle School 4:15PM / High School 6:15)
(Sunday Morning Bible Studies 8:30AM)*

HALF-TIME (60 minutes or less)

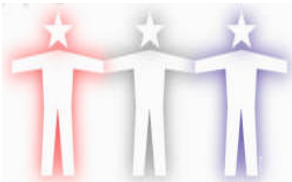

These are monthly strategy & team-building sessions to strengthen your leadership and our team. Here we address challenges and look ahead for opportunities with prayer, discussion, & training.

*(The Last Sunday of every Month 12:30 in the Atrium –
Lunch & Childcare Provided)*

COACH'S CORNER (as needed)

Periodically throughout the year each team member will meet with their coach (whether that be the youth pastor or their team leader) These are times of one-on-one encouragement where you can share your breakthroughs and challenges! *(schedule as needed)*

ALL-STARS CELEBRATION

(So much fun you don't care what time it is!)

Every team takes time to celebrate and our's is no exception. We come together twice a year to recognize & rejoice at what God has done throughout the season.

(Fall Season – December / Spring Season – May)

We all recognize how extremely busy life can be, however, teams cannot function and leaders cannot serve effectively without coming together. We want you to experience everything that God has for you through serving in this ministry and part of that is the joy of TEAM! All leadership connection points are mandatory and each leader must notify their team leader if they are unable to attend any scheduled team event.
