Trip you wish to attend \_\_\_\_\_ Today's Date \_\_\_\_\_

What do you hope to gain from this trip?

What can you do while on the trip to help make it a better trip for everyone?

Every Crossings Trip student is asked to help do certain things like going to bed at a certain time, get up on time, stay with the group, etc. How will you respond if one of the Crossings adults asks you and your friends to stop what you're doing and get ready for bed? Or maybe asks for your help in picking up trash left on the bus?

Thanks for filling out this form for us!!! We're going to do our best to make it possible for everyone to go on the trip! We'll get back with you in a few weeks and let you know what we were able to work out. In the meantime, CU @ Crossings.
